CAM-WP-DB
CAMPA SERIE

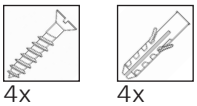

PRODUCT DETAILS

The Campa collection, designed by l'ombre, has such an unique shape. A subtle rounded silhouette that curves outwards, makes it one of a kind. The luminaire has a build-in Led-module mounted on the robust housing of the appliance. By mounting the led directly on the brass, the warmth will be reduced and the lifespan will be longer. The dark bronze finish of the luminaire exudes craftmanship and it creates an unique atmosphere around the house.
