l'ombre®
EXCLUSIEVE VERLICHTING

LICHELLE-L-PRO-10-CUS-DB

LICHELLE SERIE

PRODUCT DETAILS

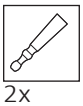

Lichelle, designed by l'ombre exclusive lighting, is characterised by its sophisticated design ingenuity. As a versatile lighting fixture, Lichelle can shine in a wide variety of applications.
The lighting fixture has a frame in brass and is available in three finishes, finely knurled, lightly striped or timelessly plain. Brass ensures the high longevity of the unique lighting fixture.
The handmade Lichelle is finished in dark bronze. This elegant finish not only exudes craftmanship but also creates a unique atmosphere in any project. As a basic light source, Lichelle perfectly matches all other lighting fixtures in the l'ombre family.
