INSTALLATION GUIDE

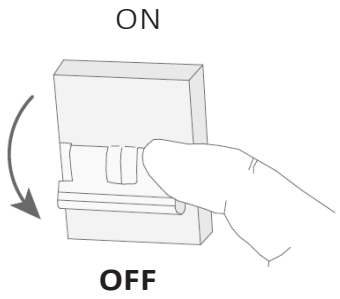

The installation of the product depends on the used canopy, please check out the installation sheets of your canopy.

This product may only be installed by an authorised electrical installer.

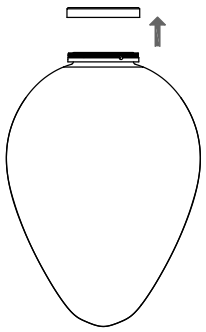

Make sure there are no other cables close by the place of the power cables.

Ensure to switch OFF the fuse before the installation

1

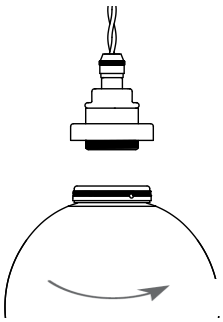

2

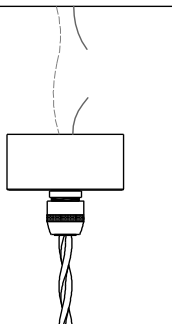

Before mounting the glass, first remove the protection cover.

3

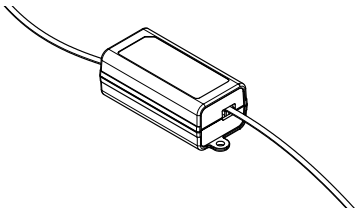

Turn the glass part on the fixture.

4

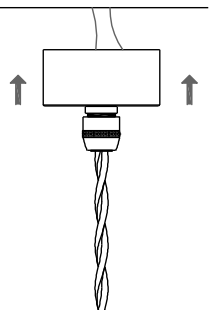

Connect the power cable to your chosen connection box

5

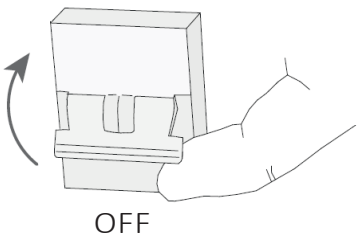

Select and connect your driver (set the driver, 500MA max.). Multiple devices in one circuit must be connected serial.

6

Mount the connectionbox to the surface.

7

Be sure the installation is done right before switching ON the fuse.

The appliance is ready for use, enjoy the light.

OTHER IMPORTANT INFORMATION

The warranty is invalidated when the device is opened. The lamp in the appliance must only be changed by the manufacturer. Children should be discouraged from playing with the lights. Mount the appliance on dry surfaces, otherwise it may cause discolouration of the finish. Metal finishes should only be cleaned with a soft, dry cloth. Do not use polishes or abrasives. Keep this installation sheet for future uses.
