INSTALLATION GUIDE

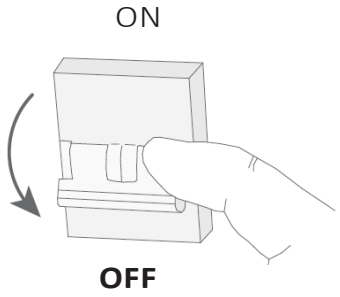

These instruction are made for your safety. Please read them entirely before starting with the installation of the appliance.

This product may only be installed by an authorised electrical installer.

Make sure there are no other cables close by the place of the power cables.

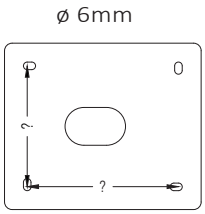

Ensure to switch OFF the fuse before the installation

1

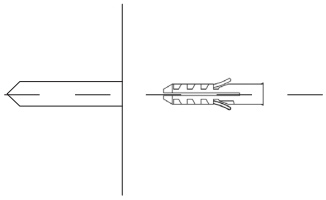

2

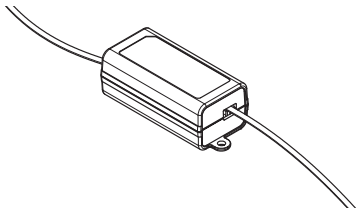

Measure the distance of the holes on the mounting plate and drill the holes in the ceiling.

3

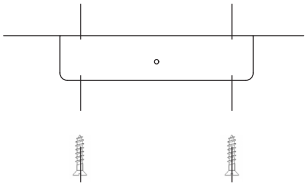

Use a hammer to install the screw plug in the drilled holes.

4

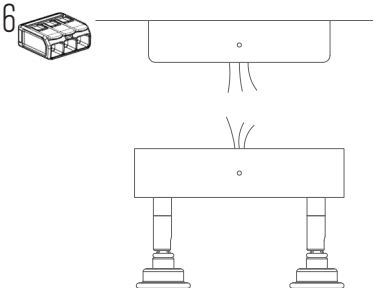

Select and connect your driver (set the driver). Multiple devices in one circuit must be connected serial.

5

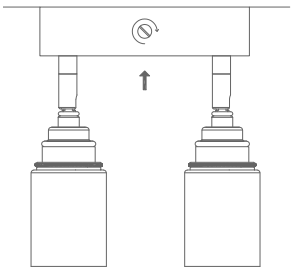

Screw the mountingplate with the supplied screws to the ceiling.

6

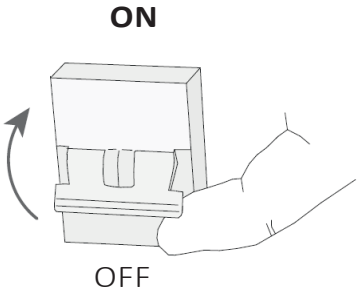

Use the wire connector to attach first the earth conductor and then the other cables. (Use the instruction file of Wago 221-413)

7

Secure the unit to the mounting plate with the supplied screws.

8

Be sure the installation is done right before switching ON the fuse.

The appliance is ready for use, enjoy the light.

OTHER IMPORTANT INFORMATION

The warranty is invalidated when the device is opened. The lamp in the appliance must only be changed by the manufacturer. Children should be discouraged from playing with the lights. Mount the appliance on dry surfaces, otherwise it may cause discolouration of the finish. Metal finishes should only be cleaned with a soft, dry cloth. Do not use polishes or abrasives. Keep this installation sheet for future uses.
