RICHELLE SERIE

PRODUCT DETAILS

Richelle, designed by l'ombre exclusive lighting, is characterised by its sophisticated design ingenuity. As a versatile lighting fixture, Richelle can shine in a wide variety of applications.
The lighting fixture has a frame in brass, brass ensures the high durability of the unique lighting fixture. The softly rounded shapes are soothing and form harmony between man and light in any living space.
The handmade Richelle is finished in bronze. This elegant finish not only exudes craftmanship but also creates a unique atmosphere in any project. As a basic light source, Richelle perfectly matches all other lighting fixtures in the l'ombre family.
